4 Max. dpi from glass; max 600x600 dpi from ADF.
0 Server 2003 / 2008 / 2012 network printing only.
♦ Feature available using Brother ControlCenter.
◊ Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements. ■ The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
▼ Approximate toner cartridge yield in accordance with ISO/IEC 19752 (letter/A4).
^ Drum yield is approx., and may vary by type of use.
v Requires an Internet connection and an account with desired service. See www.brother.ca for details.
◄ Requires an Internet connection. See www.brother.ca for details.
□ Requires connection to a wireless network. See www.brother.ca for details, availability, and mobile device compatibility.
