MACHINES & ACCESSORIES

**GBC**

**WORLD'S # 1 LAMINATION BRAND**

## Why **GBC**?

Time and again you asked for fast warm-up times, fast laminating speeds, and easier to use machines that combine what you want and what you need in lamination. From the ground up, GBC® created an all new lamination line. We streamlined our products and the lamination process, incorporating cutting-edge technology into a sleek, modern design. Delivering unmatched speed and simplicity, GBC® makes lamination faster and easier than ever before.

# Super Fast. Super Easy.

7000L

## Intelligent™ Pouch Select

Laminating is super fast and super easy with the state-of-the-art Intelligent™ Pouch Select. Innovative technology allows laminators to operate automatically with only minimal user assistance which means the best possible quality and consistent results. Insert the loaded pouch, the machine automatically detects pouch thickness and instantly adjusts to the optimal settings.

Feature available on Fusion™ 7000L and 6000L.

## Intelligent™ Status Alert

Take the fear out of laminating with Intelligent™ Status Alert. If a jam occurs, the laminator automatically stops and alerts the user by beeping until the pouch is removed; letting users recognize and correct jams sooner than ever before.

Feature available on Fusion™ 7000L, 6000L, 3100L and 3000L.

# Frequent Usage / Shared

# Leading Productivity & Advanced Technology

The Fusion™ 7000L and 6000L are top of the line pouch laminating machines, designed to meet the demands of frequent laminating and to exceed your expectations in both speed, quality, and ease of use.

**Super Fast.** Performing at lightning fast speeds, these machines blow away the competition to laminate 10 documents in 4 minutes or less. Get more done in less time with the ability to start feeding a new pouch the instant another finishes.

**Super Easy.** These smart laminating machines automatically detect pouch thickness and instantly adjust to the optimal lamination settings for your document. This innovative technology ensures high quality, expert results every time.

# Laminating Pouches

## BEST

### GBC® EZUse™ Laminating Pouches

Eliminate laminating guesswork with new EZUse™ thermal laminating pouches. EZUse™ features simplified pouch loading and have the following enhanced features:

1. **Alignment Guides** – allow perfect centering for even borders
2. **Mil Thickness Icons** – for easy identification of pouch thickness
3. **Directional Arrow** – a reminder to insert the pouch sealed edge first to reduce jams

These helpful features disappear after lamination is complete. In addition, these pouches offer UV protection against yellowing and fading. Multiple sizes, mil thicknesses, and pack quantities available.

## BETTER

### GBC® UltraClear™ Pouches

Sized to perfectly laminate a variety of items, UltraClear™ pouches provide clean, crisp and professional looking lamination results. Suitable for use with any thermal pouch laminator. Text detail and image colour stands out, making UltraClear™ perfect for display applications. Available in Speed Pouch\* format. Multiple sizes, mil thicknesses, and pack quantities available.

## SPECIALTY

### GBC® LongLife™ Pouches

LongLife™ thermal pouches come with UV protection that prevent documents from yellowing or fading over time. These pouches keep all your laminated items looking their best and are the ideal solution to laminate any document that needs to be preserved or is frequently referenced. Suitable for use with any thermal pouch laminator. Available in Speed Pouch\* format. Multiple sizes, mil thicknesses, and pack quantities available.

### SelfSeal™ and SelfSeal™ NoMistakes™ Pouches

Easy to use, self-adhesive laminating sheets preserve important documents and photos without a laminating machine. Each sheet provides lasting protection and a high gloss finish. Peel and seal with your hands to preserve and protect documents and photos. Multiple sizes, mil thicknesses, and pack quantities available.

SelfSeal™ NoMistakes™ pouches have the same features of SelfSeal™ pouches but have the added feature of allowing you to peel, unstick, and adjust or centre your documents to fix any mistakes made when laminating your documents.

**\*Speed Pouches** are sealed along the long edge to help the pouch run through the machine faster.
