

Presenter Expert™ Wireless Cursor Control with Green Laser

A green laser and cursor control for bigger, brighter rooms

8589672426

Product Description

You can't make your point if no one can see it. So make your point with a bright green laser suitable for even the biggest rooms and brightest screens with the Kensington Presenter Expert Green Laser Presenter with Cursor Control. Some of today's bright LCD and plasma screens pose a real challenge for red laser pointers. But not for the green laser on the Kensington Presenter Expert Green Laser Presenter. It's 10 times brighter than standard red lasers, so it stands out against even the brightest LCD and plasma displays. Of course there's more to a great wireless presenter than just a bright pointer. The Presenter Expert's intuitive four-button design makes it easy to navigate your Keynote® or PowerPoint® presentation. And when you need to move your cursor, a quick flip of a button gives you full cursor control. The powerful 2.4Ghz remote resists interference and lets you control Keynote or PowerPoint from up to 150 feet (50 meters) away. The USB receiver stores inside the presenter so you won't have to worry about misplacing it. You won't have to worry about not being able to find the right remote button either, because the Kensington Presenter Expert has backlit buttons.

Features

- Cursor control joystick lets you use the presenter like a mouse, moving cursor up/down and left/right.
- Green laser pointer is 10x brighter than a red laser so can make your point on LCD/LED screens
- Backlit button controls move slides forward/back, black out screen and activate the green laser pointer
- Extended 150-foot wireless range to roam the room
- Internal storage for wireless USB receiver so it won't get lost
- Plug & Play 2.4GHz USB wireless connection
- Comfortable grip with special contours for the hand
- Compatible with Windows 10, 8.1, 8, 7 and Mac OS X

Specifications

- **Compatibility** Windows 8, Windows 10, macOS X 10.11
