

Lateral Files MVL1900 Series

Offices to Go is pleased to introduce the MVL1900 Series Lateral Files. These commercial quality lateral files are available in four heights – two, three, four and five high cabinets, 36" width, and available in three colours (Nevada, Black, and Grey).

All cabinets have a recessed angled full pull design, standard with the centre-of-cabinet keylock and two point locking. Counterweights are included as standard in the two, three and four highs. The five high cabinet is counter balanced, so additional counterweights are not required.

NEW | product

A. Recessed angled full pull. **B.** Ball bearing suspension. **C.** Receding door and roll out shelf (5 high).
