Avery® Easy Peel® Clear Address Labels

Give your mailings a professional, printed-on look with these clear labels that virtually disappear on coloured and textured surfaces. They're ideal for invitations or special promotions that need a polished, high end look. With Avery's patented Easy Peel® label sheets, just bend the sheet to expose the Pop-Up Edge™ for fast peeling that will make short work of high volume mailings. Customize with free templates and software from avery.ca/yourchoice.
