

Scotch-Brite™ Brand Products and Category Overview

Since 1958, Scotch-Brite™ Brand products have had a presence in every market from consumer to commercial and industrial. To this day, the commitment to providing excellent innovative products is unwavering.

For over 50 years the Scotch-Brite™ brand has been making tough jobs easier.

Scotch-Brite™ brand promises:

- A variety of cleaning tools through a full line of sponge, scour, cloths and handled tools
- The versatility to use these tools in a number of areas of the office including the workspace, kitchen, bathroom, and warehouse
- Superior performance based on years of knowledge and product innovation

Scotch-Brite™ Scrub Sponges

- #1 brand in the scrub sponge segment*
- #1 selling scrub sponge in Canada*
- Anti-bacterial technology protects the sponge through hundreds of uses
- Sponge component developed using highly absorbent cellulose and laminated to 3M's long lasting non-woven web technology
- Full Line of products available in three strengths; Heavy Duty, No Scratch and Delicate Duty
- Stay Clean scrub sponge does not trap egg and cheese, preventing odours

Scotch-Brite™ Ultra Scrub Sponges

- Designed to address common pain points when cleaning premium surfaces such as streaks, smudges, fingerprints, burnt-on mess and spills
- Dual-sided with carefully selected materials to safely clean Stainless Steel, Granite, Stove Tops, Rejuvenate Stainless Steel Sinks and Inside Appliances
- Safe to use with or without chemicals

Scotch-Brite™ Scour Pads

- 3M's non-woven technology means our scour pads don't tear, splinter or rust
- Scours 50% faster than the competition
- Effective alternative to scrapers & steel wool
